

Account bonus schemes

Following feedback from members after the court fee increase we are introducing two bonus schemes effective from 1st January 2011 to reward members.

Account Credit Bonus

If a member tops up their account by £30 or more by cheque (or Cash handed to a committee Member) or bank transfer then an additional 10% will be credited to their account.

For Example

Account Top up	Bonus	Total Credit to Account
£30.00	£3.00	£33.00
£40.00	£4.00	£44.00
£55.00	£5.50	£60.50
£75.00	£7.50	£82.50
£100.00	£10.00	£110.00

Frequent Player Bonus

If a member plays 10 times or more in a month then they will have a credit to their account on a sliding scale. This will be based on the total spend on the courts used (including top ups to extend a game beyond 40 minutes) so the credit will be based on the average court cost. Therefore it will be higher if you only play at peak times.

10 – 14 times a month gives 1 credit

15 – 19 times a month gives 2 credits

20 times or more a month gives 3 credits

For Example

Games per Month	Court Fees	Peak Courts	Off Peak Courts	Average Cost	Credit multiplier	Credit
10	£24.00	6	4	£2.40	1	£2.40
